- 4.) Chief of the Minneapolis Police Department and arresting officer regarding the incident arrest on 5/10/14 in South Minneapolis, Minnesota.
- 5.) Chief of Minneapolis police Department and arresting officers regarding the 10/7/14 incident arrest in South Minneapolis, Minnesota.

### IV. FACTUAL ALLEGATIONS

Society and the Police Officer's Standard Training Board recognize the complex and unpredictable factors associated with police pursuits. It is imperative that there be written procedures for these types of serious law enforcement operations. See Minn. Stat. § 6700.2700-Standards of Conduct for Licensees.

Violations of the following standards of conduct by a licensee constitute grounds for disciplinary action: **Minn. Stat. § 6700.1600 (A)**

(A) engaging in conduct prohibited by, or listed as, grounds for disciplinary action in this chapter, Minnesota Statutes, chapter 214, or sections 626.84 to 626.90, or engaging in conduct which violates any statute enforced by the board. Minn. Stat. § 6700.1600

(A) In the instant case, at 6:30 pm on May 10, 2014 in the Crosstown Food-N-Gas Market at 5736 34<sup>th</sup> Ave. South. I walked into the parking lot in front of the Laundromat. I then saw a white female standing in front of the store that began to approach me from a distance. She never identified herself as a police officer at that time, or voiced any type of command to me. Notwithstanding, she never displayed a badge as well. Upon her approach, I turned the

opposite direction, and then she yelled "he's putting dope in his mouth." At this point, I began to run because I had an active felony warrant. There was no one trying to apprehend me, so I ran through a yard on side of the store at 5734 34<sup>th</sup> Ave. South, upon exiting the front gate, officers tackled me from behind and instantly began choking me, banging my head on the concrete, using excessive force while yelling "spit out the dope." I responded whimsily, "I have no dope," they continued to beat me in the back, head, and face with their fists. My face was bloodied, and I tried to place my arms over my face to prevent my face from being banged into the concrete.

Police forcefully placed my arms behind my back and secured me while continuing to use excessive force. I began to yell for my girlfriend because the incident was occurring directly across the street in front of her house. Based on my calling upon my girlfriend, she and her daughter came outside, I then went unconscious. I woke up two weeks later from a coma in the hospital, as a result, and being informed by the doctor, that I was in grave condition from heart failure, and respiratory failure ensuing from the excessive force used Minneapolis police officers.

(B) Additionally, on October 7, 2014 at the address of 5733 34<sup>th</sup> Ave. South, I was standing outside a home when police began to pull up and park. Before officers exited their cars, I fled the scene and ran to the block behind the home where I was standing. I immediately stopped running, raised my hands in the air above my head and surrendered. I then yelled to officers, who were still a distance away, "I surrender, I have nothing on me." None of the approaching officers ever responded with a command or directive to comply to. They continued rushing toward me with their guns aimed on me. Several officers rushed to

grab me and began to beat me, using excessive force, beating me about my head and face with their guns. While lying prone, I tried to cover my face and head with my arms, hoping the vicious beating would subside. I had already surrendered before the beating ensued. I continued to be hit multiple times more, became very weak, and went unconscious while lying on the scene of the incident. I was searched by officers while unconscious, nothing was found on my person, or in the vicinity of the incident.

The paramedics were then called by one of the officers on-scene. I was later informed, upon regaining consciousness that I was found unresponsive, intoxicated, and overdosed from drug usage and over exertion directly related to the excessive force used by police.

(C) Further, on October 8, 2014 about 5 pm at 5712 34<sup>th</sup> Ave. South Minneapolis, Apt. C, the Minneapolis police arrived to arrest plaintiff for a felony warrant. Officers were in front of the apartment building at Apt. C's window. Plaintiff left Apt. C and went directly across the hall to the laundry room and attempted to hide behind a washing machine. One officer was in plain clothes, the other officer was in uniform.

The officer in plain clothes yelled "Come out with your hands up." I fully complied with the command as I came out from behind the washer and both officers tazed me twice as I was surrendering with my hands still in the air. I fell forward to my knees, and then I lay prone with my hands out from my body and visible. The officer in uniform grabbed my arm attempting to cuff me. The other officer in plain clothes started kicking me in the head, face, and to my side yelling profanity, while the officer in uniform pinned me down.

I tried to cover my face with my free arm; the officer then rolled me over on my back and did a body search. Nothing illegal was found on my person, or in the immediate area of

apprehension, nor in Apt. C. But, officers recovered \$1,160 off of me. Then, I was ushered to the squad car where officers took pictures of my chest where both taser plugs were removed by officers, without medical attention being provided to the plaintiff.

#### Exhaustion:

I, upon each incident, made verbal complaints to officers that were alleged to be recorded. Accordingly, the officers on-scene, and as licensees, were required to report to the board and chief law enforcement officer that the actions of licensees unnecessary use of excessive force, which licensees uninvolved in the incident, but at the scene and acknowledged that those actions constituted grounds for disciplinary action under any of the board's regulatory provisions in regards to both the 5/10/14 and 10/7/14 incidents; were required to report said incidents such as using excessive or deadly force when not authorized by Minn. Stat. § 609.066. See Minn. Stat. § 6700.1610, subd.2

Reports required by this part must be submitted by licensees, no later than 90 days after learning of the reportable event. See 6700.1610, subd.3

#### V. CAUSE OF ACTION

##### Count 1:

During the May 10, 2014 incident, Minneapolis police officers using unreasonable force violated Plaintiff's Fourth Amendment protections against unreasonable search and seizure. This court's determination whether force used during the incident was objectively reasonable under the Fourth Amendment requires careful attention to the facts and circumstances of this particular case, including the fact that the only crime at issue was simply fleeing from a peace officer on foot, and that Plaintiff posed no immediate threat to the safety of officers or others, where

plaintiff surrendered, and ceased to flee or evade arrest. Officers used unnecessary deadly force where there was no significant threat of death or serious physical injury to officers or others, and resulted in life threatening injury to plaintiff.

Count 2:

During the October 7, 2014 incident, Minneapolis Police officers using unreasonable force violated Plaintiff's Fourth Amendment protections against unreasonable search and seizure. Plaintiff began to flee from officers, then voluntarily surrendered before officers began to use deadly force and causing plaintiff to become unresponsive and inducing an overdose, where plaintiff had not committed any crime prompting officers to reasonably believe plaintiff posed an immediate or significant threat of death or serious physical injury to officers or others. See *Baker v. Chaplin*, 517 N.W. 2d 911

#### VI. PRAYER FOR RELIEF

Wherefore, Plaintiff respectfully demands judgment against defendant(s) as follows:

Compensatory damages are awarded for pain and suffering in the amount of \$1,500,000.00 U.S. Dollars because the use of excessive force was clearly prohibited by a general constitutional standard; the contours of the standard for the use of force alleged in this case were further established by statute, and those standards were incorporated in the training materials used by the Minneapolis Police Department. The sources taken all together provide an unusually strong basis for finding that the injured party has met his burden.

Therefore, the court should hold that the plaintiff has submitted sufficient evidence to demonstrate genuine issues of material fact in dispute and evidence to support a factual finding

that places the conduct at issue outside of the protection of qualified immunity regarding the consecutive incidents of 5/10/14 and 10/7/14, 10-8-14

Respectfully submitted this 1 day of Feb, 201<sup>8</sup>

Supplement of Off T.Gross #004070 on 05/10/2014 20:26

On above date and time, I was assigned to 3rd PCT CRT. I was in plain clothes and working an unmarked vehicle. I was assisting Officer Heger on a narcotics investigation. Officer Heger informed us that he received information of a black male, 6'2 skinny with pock marks on his face that goes by the name of Mike B, sells crack cocaine in and around Bossen terrace area. The male is known to reside at 5733 34 Ave S. This male was later ID as A1.

Officers had a CRI place a call to A1 via cell phone of 952-200-9617. A1 called back on 612-501-5894. The CRI placed an order for crack cocaine worth \$60.00. A1 agreed and directed the CRI to meet him at the Laundromat next to City Exchange. Page 15 of 60

and the CRI made several calls back and forth to each other.

Officers set up surveillance in unmarked vehicles. I watched as a male matching the above description exit a south facing door of 5733 34 ave s and walk into the parking lot of the Laundromat and to an apartment complex near bossen terrace. A1 returned back to this listed address. A short time later, A1 again exited out the south facing door and approached the laundromat. At that time, Officers got out of the unmarked vehicles to stop A1. I stayed in the vehicle with the CRI.

#### END of Supplement 1

Supplement number: 2 CCN: MP-14-154378 Author: 004883 - Jill Loonsfoot

Supplement of Off J.Loonsfoot #004883 on 05/10/2014 20:45

I'm assigned to the 3 Precinct Community Response Team, (CRT). Our unit main focus is enforcing narcotic issues in the 3 Precinct. I was working with Officer Gross and we were wearing plain clothes and driving an unmarked vehicle.

I was assisting Officer Heger on a narcotic investigation. The suspect lived at 5733 34 Avenue and had a phone number of 952-200-9617. I was in the vehicle with a CRI. I had a CRI (Confidential Reliable Informant) call the suspect's phone number from my work phone. My city issued phone number is 612-290-8013. The first call went to voice mail and a few seconds later he called my cell phone from number 612-501-5894. The CRI order up \$60.00 worth of crack cocaine. The suspect told the CRI to meet at the laundry mat across the street from his residence.

Officer Heger gave officers a description of the suspect who lived at 5733 34 Avenue South. A black male, tall, skinny, pock marks on face, and mid 40's. Officers parked in the parking lot across from 5733 34 Avenue. Officers watch as a male exited that address that matched the suspect description. He walked across the street towards the laundry mat and walked to the rear of the address. A very short time later he returned to his address. The CRI called the suspect again from my phone and told him she was at the laundry mat waiting.

The suspect (later id as AP) exited his house and walked directly towards the laundry mat. When he was near the front door. I exited my unmarked vehicle and starting walking toward AP. At the same time Officer McTaggart was also walking towards him on foot. I and Officer McTaggart yelled POLICE and I showed him my badge.

At that time he looked at us and started running north in a yard (5736 34 Avenue South), then quickly east bound. The front yard had a wooden fence (4 to 5 feet high). AP tried to jump the fence and his foot caught the top of his fence. AP fell over the fence and hit the sidewalk. It appeared his head hit the sidewalk first.

AP tried to get up and run and Officer Heger had to restrain him on the ground. I had to continue to kneel on his legs because he was trying to kick at officers. He was handcuffed after a short struggle. AP was bleeding from the face and I assisted with first aid. He had a cut above his eye and I applied paper towel to his cut until medical arrived.

AP was transported to HCMC.

#### END of Supplement 2

Supplement number: 3 CCN: MP-14-154378 Author: 002877 - Matthew Heger

Supplement of Off M.Heger #002877 on 05/10/2014 21:12

On 5/10/14, I was assigned to the 3rd Precinct Community Response Team (CRT.) Officers assigned to this unit generally enforce narcotics and prostitution issues in the 3rd Precinct. I was assigned to an unmarked Police vehicle.

Officers were conducting a narcotics investigation. I received info from a CI about a male that deals narcotics that lived at 5733 34 Ave S. The info that I received was that a male that goes by the street name of "Mike B," deals crack cocaine from that address and also deals on foot in the Bossen Terrace and Sander Drive neighborhood. The CI info described "Mike B" as a black male, 602, thin build, light brown complexion, pock marked face, short hair and mid 40's. The phone numbers I had received for "Mike B" were 612-501-5894 and 952-200-9617. I passed this info along to Officer Gross and Loonsfoot who were with a CRI who was going to place a phone call to "Mike B."

I was conducting surveillance on the address and observed a male that matched the description leave the address of 5733 34 Ave S. I followed this male and he met up with another male in front of 5760 33 Ave S. "Mike B" appeared to make a hand to hand transaction with this male and quickly left and walked back to 5733 34 Ave S and went inside.

I was informed that the CRI had placed the phone call to "Mike B." Officers Gross and Loonsfoot informed us that "Mike B" would be

meeting the CRI with \$60 dollars worth of crack cocaine and they would meet at the Laundromat across the street from "Mike B's" address. A short time after the phone call, the same male left the address and walked towards the Laundromat. Once the male was in front of the Laundromat, we attempted to make contact with him and verbally identifying ourselves as "Police."

The male, later ID'd as A1, ran NB into the yard of 5736 34 Ave S and cut EB. Once he got to the front fence (Approx 4-5 feet high) of 5736 34 Ave S, he attempted to jump the fence. A1's feet got caught on the top of the fence and he fell face first into the sidewalk. A1 immediately tried to get up and keep running but I was able to get on top of him before he was totally up. I was able to hold him down until other Officers arrived to assist. A1 continued to struggle with Officers and would not give up his hands and was digging in the front of his pants. A1 was also bleeding heavily from him face from hitting the sidewalk. Officers were eventually able to get A1 handcuffed but A1 continued to struggle and kick at Officers.

Officers immediately ordered an ambulance Code 3 from A1 as he was bleeding profusely from his face. Ambulance arrived and A1 was placed in the back. Officers backtracked where A1 ran but we were unable to locate any evidence. I took photographs of the fence at 5736 34 Ave S.

A1 was transported to HCMC. A1 was issued a judicial receipt for Loiter w/ Intent, Flee on Foot and Obstruct Legal Process.

### END of Supplement 3

Supplement number: 4 CCN: MP-14-154378 Author: 004657 - Sean McTaggart

Supplement of Off S.McTaggart #004657 on 05/10/2014 21:30

On 5/10/2014 I was assigned to the 3rd PCT CRT Team. The main focus of the CRT Team is quality of life crimes such as prostitution and narcotics.

At approximately 1833 hours I was assisting Officer Heger with a narcotics investigation in the area of 5736 34th AV. The target later ID'd as A1 made his way across the lot headed toward the Mexican Restaurant next to Crosstown Market.

The order was given to go in and apprehend A1. I exited my unmarked vehicle in plain clothes and walked towards A1. As I got closer I identified myself as a Minneapolis Officer and told A1 to stop and that he was under arrest. A1 then took off running northbound and appeared to possibly have put something in his mouth. A1 then ran through the yard at 5736 34th AV towards the west. A1 came to the wooden fence in the front yard and jumped over it. As A1 jumped over his right foot caught on the fence and A1 landed face first on the concrete sidewalk in front of 5736 24th AV S.

I assisted in taking A1 into custody. A1 was actively resisting and trying to prevent officers from cuffing him. A1 kept reaching down the front of his pants in what appeared to be a possible effort to conceal narcotics.

A1 was finally cuffed and first aid was given to the cut on A1's forehead until HCMC Medics arrived.

I rode down to HCMC where A1 was taken to the Stab Room. While in the Stab Room A1 began to fight with the doctors and nurses that were treating him. A1 was then given something by the staff to calm him down.

I then accompanied A1 to the CT Room where A1 received a CT Scan that I was told came up negative. A1 again began to fight with staff. Staff again gave something to A1 to calm him down.

A1 was then transferred to a room in the ER. I took pictures of A1's injuries. The camera was property inventoried at the MPD Property Room.

Supplement of Sgt B.Anderson #000091 on 05/10/2014 23:26

I am currently assigned to the 3PCT CRT as a supervisor. I was wearing a fully marked raid vest in an unmarked squad. On 05/10/2014 I was assisting Officers of the 3rd PCT CRT team regarding a narcotics investigation. I was assigned as the taken down squad. After getting set up around the Cross Town Market at 34th Ave S and 58th St E, officers identified the target dealer arriving at the location where the deal was going to occur, officers moved into arrest the target dealer. I approached from the south going north. As officer went to arrest AP1 for P/C narcotics he took off running before officer could grab him. I observed officers continuing after Page 17 of 60

Just as I got to the driveway of the Laundromat I saw Officer Heger run out of a yard next to a 5 foot wooden fence going around the property. I then saw AP1 attempt to jump the fence by putting his hand on top of the fence and jumping his feet over it. I saw his feet fail to clear the fence and his momentum propelled his body forward. AP1 went face first over the fence and AP1 was unable to get his hands out in front of him and his face landed on the concrete sidewalk. I was approximately 100 feet away in the squad when this happened.

As I pulled up AP1 attempted to get to his feet to run again but Officer Heger was there and used his body weight to get him back to the ground and hold him until I arrived with other officers to assist in controlling AP1. I saw that AP1 was bleeding from his head as a result of hitting it on the sidewalk. AP1 continued to struggle with officers as they attempted to handcuff him. Officers had to force his arms behind his back as he attempted to keep them in front of him and appeared to be grabbing for something under his clothing. Once he was handcuffed he continued to struggle against officers as he was bleeding. Only body weight was used to control AP1 by officers. I took his do-rag off his head and used that to stop the bleeding from the cut on his eye brow. I called for ambulance to respond. We had to hold him on the ground to control him. AP1 then complained of breathing problems and saying he was disabled because of this back. We then rolled him on his side to allow him to breathe better. I did a quick search of AP1 and while checking his groin area I felt something that led me to believe it could be a baggie of narcotics. While we were doing this a female approached and stated that he was her boyfriend and became upset and started to cry. I asked if AP1 was taking medication and she stated yes for his back.

When ambulance arrived we put AP1 on the stretcher and put him in the rear of the ambulance. Based on what officers observed AP1 attempting to reach under his clothing and what I felt, I conducted a search under the clothing for narcotics. Once in the ambulance Officer McTaggart and I conducted the search. When I pulled down his pants and examined his groin area I did not see anything. I looked at his pants that were pull up pants with a string around the waist and was knotted on the inside which turned out what I had felt. AP1 then was transported to HCMC and I had Officer McTaggart ride with the ambulance. Officer then retrace the route of AP1 and did not find any narcotics.

I went back to the 3rd PCT and assisted officers in attempting to identify AP1. The name that was in his wallet was not on file and was not matching up with info we had. I then contacted Officer McTaggart at the hospital who stated that AP1 had fought with hospital staff and they had given him a sedative and was unable to communicate to get his name. I then contacted car 21 to respond and get finger prints from AP1 to properly identify him. As officers continued to identify him, they discovered a report from the address and ran a name and found a photo of AP1. Once we got his name we ran it and AP1 came up with a 1 felony warrant and several misdemeanor warrants.

I was informed by Officer McTaggart that AP1 had a CT scan done and doctors stated he was fine. They had to put stitches in but had to admit AP1 to the hospital because they believed that he had ingested narcotics and they had given him so much sedatives that he had to be observed for a certain period of time and would not be getting released until sometime tomorrow. After we identified him he was issued a judicial receipt for Loiter, flee on foot and obstruct and left at the hospital.

I contacted car 9 and Commander Granger about AP1 being admitted to the hospital. Photos were taken of AP1's injuries and inventoried.

Supplement of FS M.Bune #106285 on 05/11/2014 15:12  
Crime Lab Unit - Identification  
CCN 14-154378

On 5/10/2014, at approximately 1940 hrs., Sgt. Anderson, of 3rd PCT CRT, contacted Car 22 in regards to an individual needing to be identified at the Hennepin County Medical Center (HCMC) involved with fleeing officers. We were informed that Officer McTaggart was with the individual at HCMC.

Car 22 arrived at HCMC and proceeded to Room 1.208, where the individual was being held under sedation.

Under the supervision of SFS Jacobson, FS Carlisle took an exemplar of the individual's #1 right thumb for comparison purposes. Officer McTaggart provided us with a possible name of MICHAEL ROBERT ROBINSON, DOB: 12/31/1969.

Upon returning to the Crime Lab Unit, I obtained a fingerprint card bearing the name MICHAEL ROBERT ROBINSON, DOB: 12/31/1969; MPD #27440, from the MPD fingerprint files. I scanned the exemplar print and the #1 right thumb of ROBINSON, and printed them on photo paper for analysis and comparison.

I analyzed the obtained print for quality and found it to be sufficient for comparison. I then compared the obtained exemplar to the above fingerprint card with the following conclusion:

-#1 Right Thumb exemplar from individual at HCMC identified to the #1 Right Thumb of ROBINSON

The above conclusion was verified by SFS Jacobson.

The exemplar print, scanned photographs, and copy of the fingerprint card will be retained in the Crime Lab Unit.

WE HEREBY CERTIFY THAT THIS IS A REPORT OF THE CONCLUSIONS OF EXAMINATIONS PERFORMED BY US.

Pt is 40 yo male BIBA from scene due to fall and altered mental status. Pt was being chased by police, climbed a 4 foot fence, was standing on fence then fell head first into concrete. Pt landed on right temple, no initial LOC at scene, but medics report pt became less responsive en route, now arouses to pain. Pt arrives in c-collar, laceration to right temple, abrasions right cheek and right forehead. Bleeding controlled. Also has multiple abrasions on knees, feet and hands. Police report pt was drinking and doing other drugs, and also may have possibly swallowed some bags of crack cocaine. Upon arrival, pt arouses to pain, then became very agitated and aggressive. Security at bedside, pt given 500 mg Ketamine IM and placed in 4 point restraints for safety. Pt still confused and yelling out. Tachycardic and blood pressure elevated. Pt responded well to ketamine, calmer. IV access obtained, 2 L NS started. Pt then escorted to CT scan and then to A5 for further monitoring.

**FACULTY NOTE**

I saw and evaluated the patient today, 5/21/2014. I discussed with the resident/fellow and agree with the findings and plan documented in Dr. Eklund's note from today.

44 year old with prolonged mental status changes with agitation and fluctuating mental status. Presented when chased by police - was okay shortly before that - however had trauma from fall, had also swallowed cocaine and had extreme agitation requiring sedation and support when he was brought to hospital. Has stress cardiomyopathy in context of that extreme agitation and sympathetic surge. .

Context was heavy chronic alcohol use (htough he was not intoxicated when event started) and there may have been component of withdrawal. He has also has had series of medications to try to control agitation. Now being fed with feeding tube. More verbal, at times seems clearer. Psychiatry and neurology are seeing him and trying to help find medication regimen that keeps him calm but not too sedated. Has had repeat CT today that shows no structural lesions. There was concerned of some facial weakness and also he has somewhat slurred speech.

PT and OT are seeing him. Hopefully will make progress but timeframe of that progress is not clear. May well need period of low tolerance rehab. If he improves might benefit from more intense rehab at Knapp.

Met with one of his brothers today at bedside. In his view patient was doing fine and trouble was caused by police. He did not see the chronic alcohol causing him any impairment on the day of the incident (he had just talked to him) , and really does not see the importance of the toxicity from the stuffed cocaine. He did see all the facial trauma and has pictures of that. . He also feels that our communication has been inconsistent.

protect his airway. Extubated a few days later and no problems with oxygenation since. Treated aspiration pneumonia.

**Aspiration pneumonia, resolved:** Treated with unasyn for 7 day course ending 5/19. Still having some cough. No recent fevers or leukocytosis.

**Rhabdomyolysis:** Patient had intermittent elevations of CK up to 2000's after periods of prolonged agitation requiring being held down. Decreased when he becomes calm. Good urine output. Creatinine stable. Potassium ok. CK 914 most recently, topped trending given improvement in levels in addition to resolution of cause (agitation).

**HOSPITAL COURSE:** Per MICU transfer summary dated 5/23/14: "Patient is a 44 year old male with unknown medical history admitted on 5/10/2014 with acute delirium due to alcohol and cocaine intoxication (after swallowing). Intubated due to acute respiratory failure. He finished treatment for aspiration pneumonia (unasyn) and RUE thrombophlebitis (vanco). Extubated after 2-3 days. He was noted to have acute pulmonary edema, most likely due to atypical stress cardiomyopathy in the setting of sympathomimetic poisoning. EF of 35% which is new. Ongoing severe agitation and aggression preventing sedation weaning for > 7 days, numerous prns throughout the day with restraints proving at times ineffective. Feeding tube placed 5/20 after 10 days without any nutrition. Repeat head CT without evidence of stroke, EEG negative. Neurology and psychiatry helped with trying to find a medication regimen to keep patient more calm, but not overly sedate him. Started on high dose thiamine in case of possible wernickes. 5/21 patient began to become more orient and less hostile. Able to come off precdex and reduce amount of prns. Significant improvement over 2 day span and able to work with pt/ot. PM&R consulted and will continue assessment over next few days to see if knapp rehab candidate or not."

His agitation and deconditioning continued to improve at a rapid rate following transfer to the general medicine floor on 5/23/14, and his medications for this were weaned off completely. Per the patient as well as his significant other he was at his mental, behavioral and physical baseline the last two days of hospitalization. Was observed by the primary care team to ambulate independently and safely and was discharged home on 5/25/14.

Supplement of Off J.Karshbaum #003643 on 10/08/2014 20:02

On 10/08/2014 3rd Precinct Community Response Team (CRT) began a detail/investigation to locate AP1/Robinson who has active felony warrants. AP1/Robinson is well-known to officers due to two narcotics investigation. Yesterday officers executed a warrant at 5733 34th Ave S on AP/Robinson's residence. During this warrant AP/Robinson fled and fought with police. AP/Robinson was hospitalized after the incident and officers were unable to book him into HCJ on either the current narcotics case or his active warrants. Officers know AP/Robinson to be combative and violent from previous encounters.

Today officers confirmed AP/Robinson had been released from the hospital. Officers set up surveillance in the area of 5733 34th Ave S (his residence) and 5712 34th Ave S; previously advised AP/Robinson had been inside an apartment near the NE corner of this complex selling narcotics on several occasions with an older B/M known as "Earl".

During surveillance in an unmarked vehicle in plain clothes as the passenger officer with Officer Loonsfoot I observed AP/Robinson's girlfriend (Latasha Williams) walk from 5733 34th Ave S to 5712 34th Ave S several times. On most of these occasions Williams went into 5712 34th Ave S with items and returned with her hands empty. Officers conducted surveillance for approximately 2 hours.

Officers then received citizen information AP/Robinson was currently inside 5712 34th Ave S in a northern basement apartment with a black male known as "Earl". Officers from P3 CRT, Lt May, and several uniformed officers attempted a knock and talk at 5712 34th Ave S, apartment C. I was assigned to perimeter on the north side of the complex. As officers advised they were in the entry awaiting entry through the secured outer complex door I observed a male, black with a goatee and do-rag on his head quickly peek out the bathroom window from a basement unit. The male matched the description of AP/Robinson who I have had occasion to observe several times in the past day. A short time later officers were allowed entry into this apartment and Officer Loonsfoot looked out this same window which was found to belong to apartment C. The male I observed look out this window was not located in the apartment.

A few minutes later officers advised they had AP in the laundry room.

Supplement of Off B.Castle #001027 on 10/08/2014 20:23

On 10/08/2014 I was assigned to the Third Precinct Community Response Team (CRT). The primary focus of the Community Response Team is to enforce livability crimes that affect the Third Precinct such as prostitution and narcotics issues. On today's date I was wearing plain clothes, driving an unmarked Minneapolis Police vehicle, assisting officers with surveillance in an attempt to locate A1/Robinson. A1/Robinson was known to have several outstanding warrants including two felony level warrants, he is known to flee from police, and A1 was the subject of a search warrant by CRT officers on 10/07/2014.

This afternoon I was doing surveillance on 5712 34th Avenue South and on 5733 34th Avenue South. While doing surveillance for approximately two hours, I watched as A1's girlfriend, identified as Latasha Williams make several trips between her home address at 5733 34th Av South, and the apartment building located at 5712 34 Av South.

While doing surveillance, I was informed that information had been received that A1/Robinson was thought to be in apartment C inside the 5712 34th Av South address. I moved from my location, and I stood outside the front of the building, covering the apartment's windows, as uniformed officers entered the building. After officers aired that they were Code Four, I walked to the front steps of the building and stood at the door, holding the door open. While I was standing at the front door I heard officers giving loud verbal commands to an unknown person from the lower floor of the building. I then entered the building, ran down the stairs, and I entered the building's laundry room where I could hear the loud voices from. I also heard the sound of a Taser being deployed. As I entered the laundry room, A1/Robinson was falling to the floor. When Taser cycle ended I used my body weight to pin A1 to the floor and I pulled A1's right arm behind his back so I could handcuff him. When I tried to handcuff A1's left arm, A1 would not put his hand behind his back. I told A1 several times to get his hand behind his back, but A1 refused to comply. In addition, A1's left hand was tucked under his body near his waist and his elbow and upper arm were visible.

While I was holding my handcuffs I grabbed A1's right arm, pulled his arm away from his body so I could see his hand. I then pulled his left hand behind his back and I completed handcuffing A1/Robinson.

Once A1 had been taken into custody, he was searched incident to arrest and placed in the rear of a squad car. A1 was later transported to HCJ where he was booked on his warrants. Lt. May was informed of my use of force.

**END of Supplement 2**

Supplement number: 3      CCN: MP-14-357873      Author:      005938 - Christopher Reiter

Supplement of Off C.Reiter #005938 on 10/08/2014 21:23

On 10/08/2014 I was assigned to P3 CRT (Community Response Team). At approximately 1530 hrs I arrived near the intersection to do surveillance on 5733 34th Ave S with other Officers in regards to the suspect from CCN 14-356401. I was in an unmarked car, in plain clothes. We had information from

that the suspect may be in an apartment building located at 5712 34th Ave S. The ... gave Officers information that she had purchased crack/cocaine from the suspect (later identified as A1) from the apartment building located at 5712 34th Ave S ( stated that it was the lower apartment on the right side of the building as you face the building from 34th Ave S, and stated that the apartment faces 34th Ave S) from A1. said that a man named "EARL" lives in the apartment.

I watched 5733 34th Ave S for approximately two hours. During that time, I saw LATASHA LANA WILLIAMS DOB 01/04/1976 (OT1) walk from 5733 34th Ave S to 5712 34th Ave S, and then back to 5733 34th Ave S. I saw that OT1 was carrying property TO 5712 34TH Ave S, but would return to 5733 34th Ave S with no property. I saw this occur four times during the time I was watching the 5733 34th Ave S address.

While I was watching 5733 34th Ave S, n that wished to remain anonymous said that A1 was in the apartment building located at 5712 34th Ave S. stated that he saw A1 in the apartment with a man named "Earl". said that did not know what A1 was wearing, but said that "Earl" was wearing a white "wife beater", and pants. said that he was not sure what the apartment number that "Earl" lived in, but said that it was the lower apartment on the right side of the front entry door.

I drove from my location pass the apartment building that A1 was believed to be in. pointed to the building with the address of 5712 34th Ave S and said "It's that building right there". I asked if it was the building with the 5712 address on it. said "Yes. It's the apartment on the bottom floor on the right side of the front entrance door".

said that he picked up A1's belongings from HCMC at approximately 0630 on 10/08/2014, and gave them to OT1. OT1 would then bring the belongings to A1. again requested that they remain anonymous, and requested to leave the area before any action was taken. The citizen left the area.

Marked squads were called to assist. I drove my unmarked car to the front of the address and walked to the front of the address with Officers in full MPD uniforms. I had my badge hanging from my neck on a lanyard on the outside of my shirt. I was at the front door for approximately two minutes. I saw A2 (who I immediately recognized as EARL MOSLEY from the search WT that was executed at 5733 34th Ave S on 10/07/2014. MOSLEY was in the living room when the search WT was executed) walk out from a hallway from the North side of the building on the bottom floor of the apartment building. A2 was wearing a white tank-top and jeans. A2 began walking towards the front entrance door. I waved at A2 motioning for him to come let me in. A2 slowly walked towards me. As A2 walked to the front door, he looked back towards a door that was on the NW corner of the building. A2 walked up to the door, stopped, looked at the door located at the NW corner of the building for approximately five seconds, then opened the front door.

I asked A2 what apartment he lives in. A2 said "C". I asked A2 if there was anyone else in there. A2 said "No". I asked A2 if his apartment faces 34th Ave S. A2 said "Yes". I asked A2 if I can look in his apartment. A2 said "Yes".

I walked in to the apartment. I could see that A2's apartment was on the right side of the building (NE corner), and saw that the windows faced 34th Ave S. I searched the apartment. There was no one in the apartment.

I was advised by another Officer that they has seen someone moving around from inside the apartment just prior to me gaining access to the building. I asked A2 if he saw MIKE (A1). A2 said that he had not seen A1 since the search warrant was executed.

I was advised by another Officer that they thought that he saw someone moving in the lower level laundry room. The laundry room is the door on the lower floor, on the NW corner of the building. I opened the laundry room door. I saw that one of the machines was slightly pulled away from the wall. I looked behind the machine and saw A1 looking up at me. A1 was hiding behind the machine.

I yelled at A1 "Police, you are under arrest", to put his hands up, and ordered him out from behind the laundry machine at gun-point. A1 put his hands up, and slowly began coming out from under the clothes machine. A1 began looking at the laundry room door. A1 came out from behind the laundry machine. The whole time I was yelling at A1 to get on the ground and keep his hands up. The laundry room door was closed, and there were no other Officers in the laundry room with me at that time, and I knew that A1 has fought with Police in the recent past.

A1 was not going to the ground. A pulled out my CED, turned it on, and pointed it at A1. I yelled at A1 at least three times that I was going to taze him if he did not go to the ground. A1 quickly dropped his right hand and put it in his waistband. Fearing that A1 was going for a weapon, I deployed my CED at A1 and administered one cycle from my CED. Both probes struck A1 in the middle of his torso on the front. A1's right hand came out of the waist band of his pants, and he fell to the ground on his back.

Other Officers began entering the laundry room. I yelled at A1 repeatedly to lay on his stomach. A1 was assisted to the prone position. Officer Castle began to secure A1 in handcuffs. A1 began to pull away from Officer Castle. A1 now had his left hand tucked under him, towards his waistband. A1 was ignoring numerous commands to put both of his hands behind his back. I kicked A1 three times on the right side of his torso. A1 put his left arm behind his back. A1 was secured in handcuffs, assisted to his feet, searched, and escorted out of the building.

A2 had a small cut on his head that was leaking a small amount of blood. A1 told me that the injury was from his incident with Police one day prior to this event. I requested EMS as a precaution.

I spoke with A2. A2 stated that A1 had come to his apartment earlier in the day. A2 was not sure of the exact time, but said that it was "definitely before noon". A2 said that A1 had been in the apartment all day. A2 said that OT1 had been bringing A1 clothes and personal belongings throughout the day. A2 said that he saw A1 run out of the apartment just prior to opening the front door to the building for Officers. A2 would not offer me a reason as to why he lied about not seeing A1 when I initially spoke with him.

EMS arrived and cared for A1.

A1 was transported and booked in to HCJ for his multiple WT's.

A2 was issued a Judicial Release Receipt for OBSTRUCT and released at the scene.

Both of the probes from my CED fell off of A1. Both probes and wires were collected prior to A1 being booked. The probes, wires, and fired cartridge was property inventoried at City Hall. My CED had been downloaded.

Lt. May was advised of my use of force against A1.

Supplement of Off J.Loonsfoot #004883 on 10/08/2014 21:25

I'm assigned to the 3 Precinct Community Response Team, (CRT). Officers were doing an attempt pick up from a narcotic search warrant on 10/7/2014 where the suspect was released from HCMC. The suspect (Robinson) has fought and fled from police on two different occasions and had two active felony warrants and a current narcotic charge.

I received information from \_\_\_\_\_ that the Robinson has been seen dealing narcotics at 5712 34 Avenue South, lower right apartment, several times in the last two weeks. A concerned \_\_\_\_\_ also informed police that Robinson was seen the lower apartment today.

Officers of CRT set up surveillance in the area and observed Robinson girlfriend enter the apartment with items. She would stay for a short time, and then exit the apartment building empty handed. She did this several times while officers were doing surveillance.

Members of CRT, Lt May, and four uniformed Officers went to 5712 34 Avenue. I was watching the rear and north windows. When officers were attempting to get inside the apartment, Officer Karshbaum informed me a male just looked out of a small window at her then quickly pulled away. Officer Karshbaum said it looked like Robinson. A male, later id as AP2, let officers look in his apartment, I checked with Officer Karshbaum and looked out the window that officer Karshbaum believed Robinson looked out of and she informed me I had the right window. AP2 said he did not know where Robinson was and has not seen him, and he lived at that apartment, number C.

Across the hallway from AP2 is a small laundry room with a couple of washing machines and dryers, I opened the door and smelled marijuana. I looked around and started walking out of the apartment building, when I heard Officer Reiter yell "POLICE, SHOW ME YOUR HANDS." I ran into the laundry room and Robinson was behind a dryer. At that time Officer Reiter deployed his Taser at Robinson. Robinson fell to the ground where Officer Castle was restraining the upper body and one handcuffed was applied. Robinson was hiding his other hand underneath his body area. Officer Reiter was kicking at his arm area and officers were trying to pull his arm out from underneath him. After a struggle, the officers were finally able handcuffed the suspect.

Robinson was escorted to a marked squad where he received medical treatment from HCMC and released. Photographs were taken of Robinson and the camera chip was property inventoried. Robinson was booked at HCJ on two felony warrants.

Charges will be completed on a narcotic search warrant executed on 10/7/2014 CCN 14-356401. AP2 was tagged for Obstruct and released.

**FACULTY SUMMARY OF CURRENT ED ENCOUNTER:**

**History:** Michael Robert Robinson is a 44 y.o. male who presents to the stabilization room for evaluation of an altered mental status after an altercation with police. There was a struggle at the scene and the patient was hit in the forehead and scalp with the butt of a gun which caused a loss of consciousness. At the time of presentation he is unable to provide any history.

**Physical Examination:**

**General Appearance:**

This patient is well developed and well nourished, in no painful distress, moderately ill appearing, no dehydration

**Specific Examination:**

Neurologic Exam: Markedly decreased level of consciousness with minimal response to painful stimuli

HEENT Exam: Laceration to forehead/scalp

Pulmonary Exam: no respiratory distress, normal respiratory effort, clear to auscultation

Cardiac Exam: S1, S2 normal, no murmur, click, rub or gallop, Tachycardic rate and rhythm

Abdominal Exam: abdomen is soft without significant tenderness, masses, organomegaly, peritoneal signs or guarding, no distension

Musculoskeletal Exam: No abnormalities noted

Skin Exam: Warm and dry

**Differential Diagnosis:**

This patient presented with an altered mental status from an unclear etiology. The patient's history and physical examination at the time of presentation was unreliable. Possible etiologies at the time of presentation for this patient's altered mental status included but were not limited to metabolic, endocrine, central nervous system, toxicologic, psychiatric, infectious, and traumatic etiologies.

**Assessment & Plan:**

The etiology for his decreased level of consciousness prior history would appear to be caused by blunt head trauma. However, prior to a potential intubation, Narcan was given which resulted in an abrupt increase in level of consciousness. Thus the potential for opioid abuse for a decreased in level of consciousness was also a possibility. The patient's laceration was repaired. Head CT demonstrated

COMPLAINT(C)

a.)That officer Jamie Karshbaum on 10-8-14 3<sup>rd</sup> precinct community response team (CRT) began a detail investigation to locate AP1/ROBINSON who has active felony warrants

AP1/ROBINSON is well –known to officers due to two narcotics investigation. Yesterday officers executed a warrant at 5733 34<sup>th</sup> ave so. On AP/ROBINSON’S residence. During this warrant AP/ROBINSON fled and fought with police AP/ROBINSON was hospitalized after the incident and officers were unable to book him into HCJ on either the current narcotics case or his active warrants. Officers know AP/ROBINSON to be combative and violent from previous encounters.(SEE POLICE REPORT CCN-MP-14-357873 SUPPLLEMENT NUMBER(1) FIRST PARAGRAPH).(plaintiff have not been charged with no violent crime against no officers from any of these three incidents or any other crime related to any of these incidents).

b.)That officer Christopher Reiter reported he was advised by another officer that they thought that he saw someone moving in the lower level laundry room the laundry room is the door on the lower floor on the NW corner of the building I open the laundry room door I saw that one of the machines was slightly pulled away from the wall I look behind the machine and saw plaintiff looking up at me plaintiff was hiding behind the machine. I yelled at plaintiff POLICE, YOUR UNDER ARREST, to put his hands up, and ordered him out from behind the laundry machine at gun point plaintiff (PUT HIS HANDS UP AND SLOWLY BEGAN COMING OUT FROM BEHIND THE LAUNDRY MACHINE). The whole time I was yelling at plaintiff to get on the ground and keep his hands up (THE LAUNDRY ROOM DOOR WAS CLOSED,AND THERE WERE NO OTHER OFFICERS IN THE LAUNDRY ROOM WITH ME AT THE TIME,AND I KNEW THAT PLAINTIFF HAS FOUGHT WITH POLICE IN THE RECENT PAST).

Plaintiff was not going to the ground .a pulled out my CED,turn it on, and pointed it at plaintiff I yelled at plaintiff at least three times that I was going to tased him if he did not go to the ground

Robinson

plaintiff quickly dropped his right hand and put it in his waistband. Fearing that plaintiff was going for a weapon, I deployed my CED at plaintiff and administered one cycle from my CED. Both probes struck plaintiff in the middle of his torso on the front plaintiff right hand came out of his waistband of his pants, and he fell to the ground on his back .(OTHER OFFICERS BEGAN ENTERING THE LAUNDRY ROOM I YELLED AT PLAINTIFF REPEATEDLY TO LAY ON HIS STOMACH PLAINTIFF WAS ASSISTED TO THE PRONE POSITION. OFFICER CASTLE BEGAN TO SECURE PLAINTIFF IN HANDCUFFS PLAINTIFF BEGAN TO PULL AWAY FROM OFFICER CASTLE PLAINTIFF NOW HAD HIS LEFT HANDS TUCKED UNDER HIM ,TOWARDS HIS WASITBAND PLAINTIFF WAS IGNORING NUMEROUS COMMANDS TO PUT BOTH OF HIS HANDS BEHIND HIS BACK I KICK AT PLAINTIFF THREE TIMES ON THE RIGHT SIDE OF HIS TORSO PLAINTIFF PUT HIS LEFT ARM BEHIND HIS BACK PLAINTIFF WAS SECURED IN HANDCUFFS, ASSISTED TO HIS FEET, SEARCHED, AND ESCORTED OUT OF THE BUILDING PLAINTIFF HAD A SMALL CUT ON HIS FOREHEAD THAT WAS LEAKING A SMALL AMOUNT OF BLOOD PLAINTIFF TOLD ME THAT THE INJURY WAS FROM HIS INCIDENT WITH POLICE ONE DAY PRIOR TO THIS EVENT I REQUESTED EMS AS A PRECAUTION(BLOOD ON MY FACE CAME FROM OFFICERS KICKING ME IN FACE,AND IN THE HEAD WHILE I WAS LAYING ON THE FLOOR NEVER TOLD OFFICER THIS HAPPEN ADAY BEFORE)( Lt. May was advise of my use of force).(SEE POLICE REPORT CCN-MP-14-357873 SUPPLEMENT NUMBER(3).ALSO SEE JILL LOONSFOOT POLICE REPORT SUPPLEMENT NUMBER(4)PARAGRAPH(5)REPORTED THAT SHE RAN IN THE LAUNDRY ROOM PLAINTIFF WAS STILL BEHIND WASHER AND HAD BEGAN COMING OUT FROM BEHIND MACHINE,AND OFFICER CASTLE

Robinson

WAS ALREADY THERE BEFORE ENTERING LAUNDRY ROOM).OFFICER REITER FAILED TO REPORT THE DEADLY FORCE HE USED KICKING PLAINTIFF IN FACE,AND HEAD).AND SEE EXHIBIT(C-1).

c.)That officer Bryan Castle while doing surveillance, I was informed that information had been received that plaintiff was thought to be in apartment c inside the 5712 34<sup>th</sup> ave s. address I move from my location, and I stood outside the front of the building, covering the apartment's windows, as uniformed officers entered the building. After officers aired that they were coded four, I walked to the front steps of the building and stood at the door, holding the door open while I was standing at the front door I heard officers giving loud verbal commands to an unknown person from the lower floor of the building I then entered the building, ran down the stairs, and I entered the building laundry room where I could hear the loud voices from I also heard the sound of a Taser being deployed as I entered the laundry room plaintiff was falling to the floor when Taser cycle ended I used my body weight to pin plaintiff to the floor and I pulled plaintiff right arm behind his back so I could handcuff him when tried to handcuff plaintiff left arm, plaintiff would not put his hand behind his back I told plaintiff several times to get his hand behind his back, but plaintiff refused to comply in addition, plaintiff left hand was tucked under his body near his waist and his elbow and upper arm was visible while I was holding my handcuffs I grabbed plaintiff right arm pulled his arm away from his body so I could see his hand I then pulled his left hand behind his back and I completed handcuffing plaintiff.(SEE POLICE REPORT CCN-MP-14-357873 SUPPLEMENT NUMBER(2) ALSO SEE OFFICER JILL LOONSFOOT POLICE REPORT SUPPLEMENT NUMBER(4) PARAGRAPH(5) I LOOK AROUND AND STARTED TO WALK OUT OF THE BUILDING WHEN I HEARD

Robinson

OFFICER REITER YELL). .officer. Bryan Castle did not make a detail report about the excessive, and deadly force he used during the incident.

d.) That officer Jill Loonsfoot reported members of CRT, LT MAY, and four uniformed officers went to 5712 34<sup>th</sup> ave. so I was watching the rear and north windows when officers were attempting to get inside the apartment, officer Karshbaum informed me a male just look out of a small window at her then quickly pulled away .officer Karshbaum said it look like plaintiff a male, later id as AP2, let officers look in his apartment, I checked with officer Karshbaum and look out the window. AP2 said he did not know where plaintiff was and has not seen him, and he lived at that apartment, number across the hallway from AP2 is a small laundry room with a couple of washing machines and dryers ,I opened the door and smell some marijuana. I looked around and started walking out of the building, when I heard officer Reiter yell (SHOW ME YOUR HANDS I RAN INTO THE LAUNDRY ROOM AND PLAINTIFF WAS BEHIND A DRYER AT THAT TIME OFFICER REITER DEPLOYED HIS TASER AT PLAINTIFF PLAINTIFF FELL TO THE GROUND WHERE OFFICER CASTLE WAS RESTRAINING THE UPPER BODY AND ONE HANDCUFFED WAS APPLIED PLAINTIFF WAS HIDING HIS OTHER HAND UNDERNEATH HIS BODY AREA OFFICER REITER WAS KICKING AT HIS ARM AREA AND OFFICERS WERE TRYING TO PULL HIS ARM OUT FROM UNDERNEATH HIM AFTER A STRUGGLE, THE OFFICERS WERE FINALLY ABLE TO HANDCUFFED THE SUSPECT. PLAINTIFF WAS ESCORTED TO A MARKED SQUAD CAR WHERE HE RECEIVED MEDICAL TREATMENT FROM HCMC AND RELEASED. PHOTOGRAPHS WERE TAKEN OF PLAINTIFF AND THE CAMERA CHIP WAS PROPERTY INVENTORIED PLAINTIFF WAS BOOKED AT HCJ ON TWO FELONY WARRANTS. ( CHARGES WILL BE COMPLETED ON A NARCOTIC SEARCH

Robinson

WARRANT EXECUTED ON 10-7-14 CCN-14-356401).SEE POLICE REPORT CCN-MP-14357873 SUPPLEMENT NUMBER(4).

e.)That plaintiff at no point time I ever tried to go under my shirt or go in my waistline area or attempted to act like I had a weapon my arms was raised in the air when I got tased while I was laying on the floor my arms were out beside me visible I obeyed every command given to me even after I got tased only immediate concern was my life when I began to be hit in the face and head by the officers kicking me multiple times I feared for life so the only thing I could do to prevent from being hit anymore is to cover up with my loose arm because I have gotten very weak ,dizzy and could not see clearly I have a fragile brain, and a tbi from previous incident involving the 3<sup>rd</sup> precinct officers (SEE EXHIBIT (C)).( I have not been charged with any crime regarding these three different incidents in complaint a,b or,c when I was booked in hej for my outstanding felony warrant that they fell to arrest me for on 5-10-14 while at HCMC the warrant is from 8-27-12 for first degree sale that is the one and only felony I been charged for.(SEE COURT CASE FILE (A15-0102)ALSO SEE(17-0107) PUBLIC DEFENDER MATTHEW M. JAIMET).

f.)Lt.Daniel May was at 5712 34<sup>th</sup> ave S. in charged of the officers at the scene and did not make a police report or incident report detailing the incident.(SEE POLICE REPORT CCN-MP-14-357873 SUPPLEMENTNUMBER (1) THRU(9).

g.)That plaintiff was escorted to officer. Bryan Castle squad car where the officer hand removed each of the taser probes from the plaintiff chest area after he toke pictures.
